# IS GOD OUR KING?

Authority of the Church – do we have authority?

Do people only see us for spiritual reasons

The Bible teaches us God wants to be intimately involved in all of man's actions.

1 Sam 12:12 "But when you saw that Nahash king of the Ammonites was moving against you, you said to me, 'No, we want a king to rule over us'-even though the Lord your God was your king. ...19 The people all said to Samuel, "Pray to the Lord your God for your servants so that we will not die, for **we have added to all our other sins** the evil of asking for a king."

# THE SOLUTION

Do we want to be popular, or do we want to be right?

If we would vote in a party that makes laws for homosexuals to have equal rights, we have to stand before God one day and answer to Him.

If we vote for a party that makes laws to murder babies through abortion, we will have to stand before God and give an account.

If we vote for a party that discriminates against Christian organizations, we will have to stand before God one day and give an account.

If we vote for a party that want to take the authority in the home for a parent to discipline his child, we will have to stand before God and give an account.

# THE SOLUTION

Some people vote for a certain party because of historical reasons, and others vote for an opposing party because it is the only party that can counteract the other party.

Should we vote the way that Daniel voted? He stood alone.

We should vote the way Shadrach, Meshag and Abednego voted. They stood alone and the fourth Man stood by them.

The same with Elijah against the 450 prophets of Baal, and Jeremiah, Jesus and so many others.

God honoured them and they brought healing to the land when they made a difference.

# FAVOUR OF MAN

Politicians use the church.

They come to the church and the church leaders pray for them  
- But what are some of their lifestyles like

They believe the church and the state must be separate but we pray God bless them

They remove the Bible and prayer from schools – and we pray God bless them

Their leaders follow other gods and we pray God bless them

Their leaders are unrepentant adulterers – and we pray God bless them

They swear and womanise, have parties at the taxpayers expense and we pray God bless them

# SEX A MAN'S RIGHT?

Tell the young ladies:

If a boy does not love you enough to make you his wife,  
why do you allow him to make you a mother

Tell the young man:

If you don't love her enough to make her your wife, why  
would you want to give her added responsibility by  
making her a mother?

# GOD STILL HAS A PLAN

Jer 29:11-12 "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

2 Chron 7:14-15 "if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

Jer 29:13-14 "You will seek me and find me when you seek me with all your heart. I will be found by you," declares the Lord, "and will bring you back from captivity."

# THE SOLUTION

The anointing of the Holy Spirit

It is the anointing of the Holy Spirit that changes a normal human being to a man with God-given abilities!

The KJV says it is the anointing that breaks the yoke. We need the anointing today more than ever!

# THE SOLUTION

We need to seek God's face. We need to get a Word from Him and let faith rise up.

We need a man like Nicholas Bhengu, who was challenged by this thought, "It is not yet known what God can do through a man who is wholly submitted to Him". Or a man like David Khoza. When these two men started preaching the crime rate fell. Our country needs men who will take a stand for God!

# PEOPLE WANT THE TRUTH

People want to hear the truth – the truth sets free

In stead of getting politicians coming to address our people for their political power, let us fearlessly proclaim Gods word like a John the Baptist

Matt 14:3-4 Now Herod had arrested John and bound him and put him in prison because of Herodias, his brother Philip's wife, 4 for John had been saying to him: "It is not lawful for you to have her."
